

ACTLINK

PT. ACTLINK MARINE TRANSPORT

**We Provide the Best
Quality Services**

INTRODUCTION

PT. ACTLINK MARINE TRANSPORT is located in **Jakarta, Indonesia**. Our main activities are **Full Container Load (FCL)** and **Less Container Load (LCL)** consolidation shipment both for **export and import cargo**. In order to support those activities, we have set up a worldwide agency network, that enables us to have **representation in every main port**.

All of those shipments are practiced **under own control**, making us as the **leading independent freight forwarding company** in Jakarta.

We have **grown and diversified** our business into a **total logistics provider**. We have the facilities and infrastructure to offer a **comprehensive package of services** that include :

- International sea and air freight forwarder
- Customs broker
- Door to door services
- Logistics
- Warehousing
- Trucking
- Buyer consolidator
- Container depot

PT. ACTLINK MARINE TRANSPORT is **fully computerized** on both the **operational and communication** side of our business. We are able to **provide the information** required, in **each stage** of transportation services.

With our **well-experienced, professional, and competent** personnel as a **solid team**, we are **committed to provide the best quality service**, smooth process and in a **timely manner**.
